OFFICIAL NEWSLETTER OF THE EASTERN MICHIGAN CAMARO CLUB

EASTERN MICHIGAN CAMARO CLUB is sponsored by

CHAMPION AUTOMOTIVE – Howell, Michigan

SEPTEMBER 2023

## FROM THE PRES-

So how did this happen again! Seems I just got the Camaros cleaned for summer and poof, it was gone. Every year I pledge to participate in every activity we have and every year I seem to miss most of them. How can this be? Well, I'll tell you. This club has expanded to something we never even envisioned. Our Activities Director, Don, has so many things up for us to do, no single person can get to them all (well maybe with the exception of Don). And that is a good thing. I have always said, "do not worry if you cannot get to every event we plan", and now I am living proof. What I did get to, was a delight and worth every effort it took to get there. Now it's September, and it is just as busy as summer was. First, we are off to the NEOCC Fall Classic. (Sept 8-9) Several of us are leaving on Friday early to enjoy the back road trip down for this worthy show. The NEOCC folks have been more than supportive of our own Camaro Superfest, (they brought 27 Camaros to CSF) and we need to show them we care as much. All their proceeds support Aluminum Cans for Burned Children, a charity in their area. Then we have our own "Chicken Run". A back roads adventure to lunch in Frankenmuth, MI. Spend the day

with us driving there and back and realize what fun you can have just driving around this state. Lunch is always a treat and the traditional "Ice Cream" stop on the way home has become one of the best stops of the year. You should have gotten an email to RSVP to my Wonderful Wife for this trip. Please do, so we can give our hosts a head count. If the day proves weather worthy, we dash around the town for a few hours as well. Flash forward to October and the yearly "Tour d' Michigan". This year it gives us an opportunity to go slow and enjoy our surroundings in the Northern Lower Peninsula. Dubbed the "Fall Slow Run" it will encompass many slower roads in the north, giving us time to actually see what is around us while driving. Unfortunately, the event is already "sold out". But there is a wait list, as one never knows what is ahead. Contact me if you want on that list. And that brings me to this, please read this *HUGGER* and pay attention to your emails. We try our best to keep you, the membership, informed as to what we are planning. This is our only way of communicating to everyone all at once. Don does a bang-up job listing event after event in these pages. Barry gives it his very best to make it enjoyable. That leaves you as our most important link to success.

Continued next page → →

Read, respond and enjoy what this club has to offer. I promise you will not be disappointed.

**Snook OUT.**

## THE CORNER CAMARO

This months' CORNER CAMARO is Dale Baird's new 2023 ZL1! Here's his story- This is the 2nd edition of a Camaro since I have been with EMCC. The 1st was my 2017 2SS. As many of you know, I experienced some frustrating electrical-starting issues with the Black Widow during the last year and a half. In addition, notification was issued that 2024 would be the last production year of our beloved Camaros, as we currently know them. These two factors created my placing an order for a 2023 ZL1 this past April. Four to five months of no word regarding the delivery. I think DJ (The Finder God) was as antsy about it as I was, so he did his search thing and came up with one at a Dealer in Cleveland Ohio. Had everything that I had on order except a sunroof (never had a vehicle with one, so what's to miss). Went down on the Saturday after DJ found it and left a deposit as soon as I saw it. Picked it up the following Thursday. Immediately felt the noticeable handling differences between the ZL's and the SS's driving home. Wanted a 2023 because the "Dealers Market Value Upcharge" on the 24's will be outrageous.

Radiant Red Tintcoat with the carbon fiber hood insert and carbon fiber dash panel. Got it back last week from Lingenfelter. They ceramic coated the body and wheels. Wrapped the ground effects, that were gloss black with carbon fiber to match the hood insert. Also wrapped a few smaller pieces for under the hood. Kept some of the aftermarket engine compartment items from The Widow for the GOOD memories of having fun with it.

Thanks Dale, for sharing your NEW Camaro story! Congratulations on the new purchase!! Thanks for being an EMCC member!!

# EMCC CHRISTMAS JULY

Was actually in August... but whatever the date, it was a great afternoon of fun, food, gifts and comradery! We had a very nice turnout of 40 members. Almost everyone took part in the gift exchange, which had a few surprises. THANK-YOU to Kathy and Paul for hosting once again!! Thanks to everyone that attended and had fun with fellow EMCC members!

CAMARO SUPERFEST 2023 is done and in the books! It was a great weekend and Thanks to all that helped make it so good for all!! Here are the event results as reported at the Aug EMCC meeting -

We had 370 Camaros attend CSF 2023! We're not sure how many spectators came, but they did donate to our charity efforts. We're still working with a few sponsors, but it looks like we'll have \$10,000 to add to our charity account. This will be given out based on EMCC member suggestions or requests. As for basic event expenses, our surplus is \$3000. This is only because several **VERY** generous EMCC members donated close to \$6000 toward some of those expenses. **THANK-YOU!!!**

Overall survey results show that most everyone enjoyed our new site of MultiLakes for our event. The hotels also rated very good. So an overall view of CSF 2023 is.... WE DID GOOD, very good!!

Congratulations to all of our EMCC members that helped make CSF another great event. Thanks!!

Congratulations to Nita and THANKS for being a great CSF Chairperson! **CSF 2024 is only 10 months away!!**

YES!! Our CAMARO SUPERFEST 2024 dates are all set and announced on Facebook a few weeks ago! Mark your calendars now.... we'll be repeating much of our great 2023 event again next year. Plus, we'll look at many ways to even improve the event!

## MEMBERSHIP NEWS

We had no new members this past month! EMCC Membership currently stands at 81.

**THANKS FOR BEING AN EMCC MEMBER!!**

## EMCC MILAN DRAGWAY

Whoever said it doesn't pay to be nice was most definitely wrong. We have been invited to an open track day sponsored by our friends at Vanguard Motor Sales. The date is Friday September 22nd from 10am to 5pm. The location, Milan Dragway. We have a limit of 10 cars to participate in racing but as many as we want to go and hang out. So the clock is ticking. The first ten cars that respond to this email ("Paul Denski" [snookmack@gmail.com](mailto:snookmack@gmail.com)) will have the ability to shred their tires off on that day. *Track Mode ENGAGED!*

Here's a wild Mustang drinking from the river.  
They're so cute when they are young.

**THE LAST WORD:** A tenant complained to his superintendent, "It's 5 degrees outside and there's no heat in my apartment! You never do a thing around here!" The superintendent responded, "I resent that! Didn't I fix your air conditioner just last week?"

## EMCC MEETING REPORT

WOW.... Our August meeting was way out there... Fowlerville, MI at the Champion Chevrolet dealership. We left the Plymouth area with 8 Camaros on a nice hour cruise through the great back roads. Then another 6 EMCC members showed up at the dealership! We had 24 members attending a great outdoor meeting. Camaro Superfest was about the only subject for the meeting and that report is in the CSF column. Some of the other items that were mentioned... Chris West is now our Member-at-Large, replacing Dale. EMCC is looking for a member or service to do our website work. If you know anyone or have the skills, please contact Paul. The staff at Champion Chevrolet was great in welcoming us to their weekly show. We'll have to get out there a bit more next summer! Hope you're at the next EMCC meeting!
