DRIVE-TO JUDGING!!

CAMARO SUPERFEST 2018 will continue to use a judging system that has proven popular and easy – DRIVE TO Judging!! What this means is that the Judges are located in one place... our Judging Tents at the southern end of Riverside Park. To get your Camaro judged (additional fee) you drive your Camaro TO the judges! This way, your Camaro is not judged until you are ready to have it judged. There will be 6 judging lanes. Each lane covers certain classes. Please refer to your event program for the classes for each lane. To ensure judging consistency, you must be in the proper lane!

JUDGING SELF CLASSIFICATION

CAMARO SUPERFEST 2018 will again be using a SELF CLASSIFICATION system. Who better to class your Camaro... than YOU!! All of the classes, rules and instructions on how to classify your Camaro will be in your event program. (we will also get it posted online approx. one month before our event) It's not hard to do... we simply ask you to be HONEST in the evaluation of your Camaro so that everyone having their Camaro judged, will enjoy the process and be given a fair try at winning an award. NOTE- the Judges have final say, if a Camaro is obviously classed wrong... they can switch it!

CAMARO SUPERFEST JUDGING TEAM... Michigan Firebird Club!

For the 8th year, the Michigan Firebird Club will be our judges. These great, dedicated individuals have done a great job for us in the past and have renewed their commitment to be fair and judge all Camaros properly. CSF has always had paid, independent judges like the Michigan Firebird Club, as it insures that you get the best judging possible. Please remember, while they are paid... they are also volunteers, giving up their weekend to be here with us and enjoy the show too! THANKS Michigan Firebird Club for your dedication at **CAMARO SUPERFEST 2018!**
