FIND NEW ROADS™

DECEMBER 2016

FROM THE PRES-

Tis the season, cars are tucked all snug in their storage, while visions of clean dry salt free roads dance in our heads. Ok, enough song writing for me. Hopefully this finds you and yours all prepared for the coming holidays. Shopping all done, (mines not) meals all planed and you're just coasting along. Let's not forget those who might not be as fortunate as us. This club has given more of itself in the last seven years than I thought possible! Starting our charitable giving well before the normal folks do with what we gave from the proceeds of last Superfest. That donation helped a whole lot of kids have a great start to the school year and others find the shelter they were living in a little better place. We all should be proud of what we've accomplished! And, we didn't stop there, many of us gave the gift of toys through our sponsor Lou LaRiche Chevrolet, to the kids with cancer program supported by them. And I know that a lot of us support other charities as well. I couldn't be more honored to serve this great group of people. Thank you all for your support.

Now the hard work for next year's Camaro Superfest starts. We need to select a charity and I've made several calls to have

meetings with some local ones to see if they're interested in helping us support their causes. By the next meeting, I will have the necessary information for us to finalize our choice. There has been a lot of great suggestions and the early leader in the clubhouse is the Miracle League of Plymouth. Scott and others have said they could support this and like the local factor of what they do. If you have any others that you would like to propose please, please, please, do so asap. Get them to me any way you can, write, call, come see me. Busy time for all I know but part of my job is to make it easy for us to choose. Our Superfest Chair, Barry, is hard at work trying to arrange several things for us to do and it promises to be another great success.

Wouldn't be right not to tell everyone thanks for the smashing good time at the Christmas party. A packed barn and full participation of the gift exchange. Special thanks to those who brought appetizers and desserts. That's what makes it a great meal. Past President Randy even came all the way from Missouri, though we did miss April, who had to stay and work. Everyone went home with something even if it wasn't exactly what they wanted.

more on next page.....

Our next meeting was finalized this last Wednesday with the fine people at Motor City Solutions and looks to be an exciting evening for all who want to attend.

Remember, they are feeding and watering us, (did I say... free) so we need a count of those going by January 9th, 2017. Their address is 24331 Brest Rd. Taylor, MI 48180 and food will be ready at 6:00pm if you want to eat before the meeting at 7:00pm. Jeff and his crew will be there to answer any questions about the many services they provide. It will be a self-guided tour after the meeting and I assure you it will be interesting. There are bunches of hot rods and cars in various states of restoration including a special Camaro of one of our members on display. The annual elections will also be held at this meeting, think about serving the club in some capacity if you can. I will have everything ready so we can streamline the process and make it easy on our hosts as well.

With that I wish everyone, MERRY CHRISTMAS and HAPPY NEW YEAR!! Stay safe and enjoy.

AUTORAMA 2017!

OK... we have done some asking and checking. So far... we have 2 people willing to put their Camaro in the show - Brad and Rick! We really could use 1-2 more... but time is running out, as we need to get those applications in! If you need an application, Barry can email you one, or go to the Autorama website. We MUST send these in together... so please get an application, pictures and your check and get them to Barry by the first week in January. The 2017 Autorama is February 24-26. Placing your Camaro in the show is voluntary. It does take time and some money, but if you have never done it, it's a blast! We will also NEED EMCC club members to help "man" the booth!! We'll try to get more posters to pass out... that was a hit last year!

26th annual CAMARO SUPERFEST 2017

June 30, July 1-2, 2017
Riverside Park, Ypsilanti, MI, USA

Our dates are SET... June 30, July 1-2, 2017!! CSF-2017 is rolling!! Some of our activity plans are for a visit to the GM Heritage center and road track laps at the new M1 Concourse in Pontiac. A new Transformers movie will be released in time for CSF, so another "movie night" may also be planned!

Letters to past sponsors are in the process of being emailed and we hope they all return and we can add more! If you know of a business that might want to be a sponsor, please let BARRY know!

Our theme for 2017 will be the celebrating of the Camaro 50th year! While we are not the last event of the year to celebrate the 50th, we'll do it up BIG!!

We're already working hard to get the CSF flyer and website updated by the end of January and hopefully start registrations by mid-February!

Stay tuned... more announcements in the next month! CSF-2017 is in 7 months!

EMCC MEETING REPORT

The November meeting was great! We had a good crowd of close to 26 attending, including newer members Reighly/Carol and Mark. We went over some By-Law changes and these were discussed, additions and approved! A copy will be sent to all members asap! CAMARO SUPERFEST 2017 was discussed a bit... we still need to pick a charity and decide on if we will do 3 or 4 day event. Some activity plans have been started. We also discussed the Detroit Autorama and asked for members to volunteer to put their Camaro in the show. It's a great place to promote EMCC and CSF!

The December meeting was VERY brief... and was held at the beginning of the Christmas Party on Dec 3rd. We gave Brad his CSF sponsorship award and again talked about choice of charity for CSF. Hope to see you at the NEXT EMCC meeting!!

FROM THE Vice-Pres...

Hello to all members! I'm guessing you are doing your best to stay warm since we have so unceremoniously lost our warm weather. Oh well, we knew it wouldn't last.

We had a great time at the Christmas party hosted by the Denskis', in their "barn". The food, the drink, and the company attending was great. Plus, we had hoot with the gift exchange.... not sure some of us came home with the gift we really wanted, but it was all in great fun and enjoyed by all.

For those of us that are thinking about Randy's Tour de Missouri in April, I just want to let you know that he told me that he's already started planning it. Remember, this time we will be able to tour the Clydesdale farm! That will be awesome.

Not much more to report this time around so stay warm and start thinking Spring... it's never too early!!

PUN OF THE MONTH: The butcher backed into the meat grinder and got a little behind in his work.

SSSEEYA at the next meeting in January.

John Wrobel, Vice President

TOUR deMISSOURI 2017

EMCC members have the chance to do another tour in the spring of 2017! Randy is planning another Tour deMissouri for late April. Lodging will again be at the Drury Inn. More info soon!

EMCC SWAP AND SELL

Swap and Sell items are FREE to EMCC members and friends. Email items to Barry.

WANTED - I attended my 1st ever Camaro Superfest this year and had just a wonderful time. We drove our original Hugger orange 70 RS Z28. Except for a few items, I'm trying to make the car as original as possible. I'm looking for an original set of exhaust manifolds with the following casting numbers. I realize this may be a crap shoot locating these, but thought you might know who might have these.

Casting numbers: RH 3946826, replaced by 3986330 and LH 3942527, replaced by 3989041
Thanks, Brad Krause 248-798-7121
Brad.krause52@gmail.com

FOR SALE - The two Camaro's are 1989 RS (parts car) and a 1983 Z28 T-top. The Z28 T-tops, interior and front end parts have been stored in pole barn. Body is in good shape but needs front floor boards. The 89 was purchased for the motor, a Pontiac HO motor with 5-speed trans has new clutch and pressure plate, throttle body motor with new headers and flow master exhaust, mallory ignition .03 overbore. The motor is on a engine stand also stored in pole barn. Hate to see the cars scraped looking to get them in the right hands. Have clear titles on both cars.

NEW LOOK FOR NHRA PRO STOCK CAMARO SS

INDIANAPOLIS - The Gen Six Chevrolet Pro Stock Camaro SS makes its public debut at the Performance Racing Industry trade show in Indianapolis on Thursday, Dec. 8. The new model builds on the success of the championship-winning fifth-generation-based race car. It's more athletic-looking and aerodynamically optimized bodywork draws its styling from the Gen Six Chevrolet Camaro SS.

"Our goal was to minimize aerodynamic drag within the NHRA guidelines and incorporate as many design cues from the production car," said John Mack, Chevrolet Camaro exterior design manager. "The result is a sleeker and more aerodynamic Camaro SS." The new race car makes its competition debut this February in Pomona, Calif., at the kickoff event for the 2017 NHRA Mello Yellow Drag Racing Series.

Chevrolet Pro Stock Camaro drivers won 23 of 24 events in the 2016 NHRA Mello Yello Drag Racing Series. Jason Line won eight events, capturing his third world title - and the third straight championship for Chevrolet. Runner-up Greg Anderson won eight events in a Camaro SS race car.

Track testing with the 2017 Pro Stock Camaro SS begins later this month. In addition to the new Pro Stock Camaro SS, Chevrolet's 2017 COPO program offers specialty race cars designed for NHRA's Stock Eliminator classes, and earlier this fall Chevrolet announced a drag racing development program for production-based Camaro models
