JUNE 2021

FROM THE PRES-

Where does it go? Talking time here. We started the year with little hope of being free and suddenly, almost on cue, we are. Yea, I know it is not over and there are still issues ongoing, but we are out and about. Doing things, I thought wouldn't happen again for some time. I attended the Rocket Mortgage Classic yesterday and enjoyed every mask free minute. Today I set my sights on "The Tail of the Dragon" with some EMCC members as well as some members of the Motor City Camaro Club. Things I am grateful we can do together. Hopefully, we have some good weather and things are about the same in the south. Anyway, by now things are calming down with CSF Virtual 2021. Many thanks to Mark for doing what he does so well. Looked over the entrants and enjoyed the many videos and stills that were offered. The judges have a tough job on their hands. Thanks to those who volunteered the time to do just that. Still doing what fundraising I can and still have hopes of making our goal. Good thing is we have time prior to the check presentation later this year.

Stay tuned (literally) to your in box to see what the club is up to week to week. Don and Tony have many events that we can attend. It

would be helpful to them if you answered yes or no on attending so they can plan accordingly. We could have what we might even call a "normal" rest of the year of things go right.

I've got to go now, my ride to the "Tail" will arrive at any minute and I'm off to see the Lizard. Keep the faith and see you all real soon.

There will be a limit of 40 people allowed and it will be BYOB. For the gift exchange - there is a limit of \$15 per gift. Each person that wants to participate needs to bring a gift. You do not have to participate!! We would prefer no gag gifts. See the flyer in this newsletter!!

THE CORNER CAMARO

This months' Corner Camaro is EMCC member Chris West's 1969 Camaro SS. I have owned the car for 25 years. I was introduced to the seller by a business associate at Eaton, where we worked at the time. The seller had decided to go back to school and get engaged so the car had to go. For the price I was happy to help him out. Based on information from the seller I am the 4th owner. The 2nd owner raced the car and burned up the original engine with nitrous. When I purchased the Camaro it had a period correct 350. I had the 350 reworked to a 383 stroker by the IHRA race team Eaton sponsored. The car was a feature car in Eaton's Dream Cruise poster when the company was the corporate sponsor of the event in 2000. In addition to the engine, I have had the car completely refurbished. The body and paint were done by a local shop. I did the interior and suspension work. The car is the correct hugger orange with black rally stripes and standard black vinyl interior and black vinyl top. The color grabs people's attention and I'm guaranteed to hear the comment "I had a '69 Camaro, wish I still had it" at least once at every show I attend. My son has told me not to sell the car so it sounds like the "Hugger" will be in the family for some time to come. Great looking Camaro Chris! Thanks for being an EMCC member!!

NEW MEETING TIME

PLEASE NOTE THE NEW MEETING TIME!

We'll be gathering at 6pm with the meeting starting at 7pm.

T-shirts, dash plaques and awards will be ordered and mailed out by the end of July. The show will be "on" for the rest of the summer, through August.

GO TO www.camarosuperfest.com

You have until JULY 4th to order t-shirts, dash plaques or commemorative plaques. All sales support our charity - **FOLDS OF HONOR Motor City!** THANKS to ALL for your support! Thanks to the car owners for entering, to our EMCC judges, to Mark for heading-up this event and to our sponsors for their continued support!!

THANKS!!!!

EMCC MEETING REPORT

The June EMCC meeting had a last minute change of venue, but the word got out and we had a great turnout of cars and members! There were 32+ members and 18 Camaros attending (and our new club service vehicle!!) The meeting was held in the lot of the new Chemical Guys Detailing shop. This place is THE place for cleaners and waxes of all kinds! While it is their own brand, they cover all areas of your vehicle! We all got free buckets and if you put products in the bucket to buy, you got a discount. THANKS Guys!! Paul started the meeting with a few announcements and Thanks to our hosts. Kathy followed-up with the July Christmas Party details - only a few spots left!! Don and Tony talked about up-coming events and a few of the past ones. Mark gave us a CSF report - it has been going well, but turnout has been lower than expected and hoped for. We had John, Frank and Dennis attending their first EMCC meeting, Welcome! With that the meeting wrapped up. Thanks for attending!! SO good to SEE everyone again! We hope to see you at the NEXT EMCC meeting!

EMCC BERGER SHOW

We still have a few rooms available for the Grand Rapids trip to Berger Chevrolet. The trip is from Friday Aug 27 - Sun Aug 29 or any portion of the event. Friday Aug 27 is a meet and greet at Berger Chevrolet and then on Saturday Aug 28th is a very big car show at the dealership. Then on Sunday the 29th we have breakfast with our members Reiko and Devin from Grand Rapids, before we head home. Please let **DON** know if you would like to join us for any part of the trip.
