JUNE 2022

FROM THE PRES-

Well, this would have been our busiest weekend of the year if not for the changes forced upon us by so many things. Yes, we would be not only celebrating the Fourth of July but in deep at Camaro Superfest. Alas, we can joyfully celebrate our Independence Day with our friends and family this year. And Superfest is still just over a month away. Those who attended the June meeting at the West Fortress not only were treated to a wonderful spread of food and beverage, but also got an earful of news about Superfest. Some good, but mostly uneasy information about our registrations being way down this year. You should know that after the meeting the board met and voted unanimously to push forward with our plans and make Camaro Superfest the best we can. Whatever our final numbers end up being, we are committed to make our show one to remember. All in was the word. We are actively attending every show we can and personally "flyering" each and every Camaro in sight. I've ordered some vinyl window clings that Jen designed (QR Code) (fancy stuff for sure) for the Nationals to put on as many windows that I can. We push forward and are not looking back. Our goal is to cover our expenses (if possible) and

more importantly provide people with an experience that they will want to repeat next year. So, now that the board is in full agreement, we need you (as Uncle Sam might imply) to step up your commitment to CSF. Get some flyers, sign up for work duty, or call any of the board members for suggestions to help. As the "Rosey the Riveters" say "we can do it". It is up to us to make this work. If you have not signed up to attend, please do so. Only you can make Superfest great again. (Smokey Bear, maybe, I don't know?) You know what to do, so let us work together and "get'er done".

Ok, done with the famous (or not) quotes, on to some catch up news. The "EMCC Dragon Slayers" returned triumphantly from our excursion the Great Smokey Mountains. No accidents, delays, or breakdowns. We torched that Dragon at least six times and some of us probably more. Along with other roads to nowhere and a bunch of sightseeing and dining. Not to brag, but Kathy's old 67 Camaro came through with flying colors. And me too. Not even a quart of oil was used. Other than some involvement with the local law enforcement we had a blast. We even made the "Daily Highlights" for Killboy.com.

Continued next page →

I know that trip was not for everyone, but there are plenty of things that Don has on our list that are more local and easier to attend. Get out there and have some fun with your Camaro today, tomorrow, the next day, or whenever. And like member John D. did, call upon us to attend something you want that might not be on our list. All it takes is an ask. You will be surprised with the turnout. Remember "we're all in this together" and "I'm pulling for ya" Snook OUT

EMCC JULY MEETING

The next EMCC membership meeting will be on **MONDAY, JULY 18, 2022**. Meeting place is set for **DALY'S Drive-in 31500 Plymouth Rd, Livonia, MI 48150** We'll be gathering at 6pm with the meeting starting at 7:30pm. The car service is no longer there, so we don't know if we'll do take-out and still sit in the back, even without the canopy shade. Or we may simply eat indoors. It's good to "see" and talk with everyone! We hope you will be attending! See you soon!

CAMARO MEMORIUM

You are no longer with us, but you are not forgotten!

THE CORNER CAMARO

This months' Corner Camaro is EMCC member Linda Beebe-Lawrence and her 2012 "BEE" Camaro RS.

It was fall 2011; I had a bet riding on a new car and I wanted something special. Oct/Nov, I arrived at my Chevy dealership to place a deposit and ensure I would be able to get what I wanted. It had been since 1979 since I last ordered a Camaro! Once there, the dealership instructed me to come back in April 2012 to select options and build my ride.

That April I sat down with Bruce Murphy and we ordered her. Lots had changed since '79. I built a 2012 V6 RS Transformer Edition with the black ground effects package. I also wanted a spare tire (as they were still available back then.) And of course I needed a good stereo, too. So mid-April my order was placed, and I just needed to do the hard part--wait.

About 4 days later I got a call from Bruce. I received good news and bad. "Which do you want to hear first..?" asked Bruce. "Bad news- we can't order these any more. Good news- we found exactly what you want in West Virginia. It will cost you \$800 to trailer it home." So away I signed! One week later, I was in possession of the original second version of the real Transformer Edition Camaro. She's an automatic RS, with black ground effects, and yellow stitching on the black leather interior. She was built in Canada and is 1 of only 1400 produced. I have never seen another just like her. She is signed by AL Oppenhiser and Scott Settlemire on the front. Currently milage is 32k! GREAT Camaro Linda!

Thanks for being an EMCC member!!

MEMBERSHIP NEWS

THANKS FOR BEING AN EMCC MEMBER!!

IN HONOR OF LOUIS "LOU" H. LARICHE

December 12, 1931 - June 9, 2022
Louis H. LaRiche (LaRiccia), age 90 of Northville, Michigan, passed away peacefully June 9, 2022.

Lou was preceded in death by his parents, brothers, and cherished wife Gail whom he remained devoted to until they were recently happily reunited in heaven.

Lou was most proud of his seven children, who with their spouses and offspring survive him: Michele (Paul) Griffeth, Jacqueline Gordon (Doug Stamm), Scott (Dawn) LaRiche, John LaRiche (Sahar Kakish), Jim (Maureen) LaRiche, Bob (Tiare) LaRiche, and Suzanne (Mark) Merucci and many grandchildren and great grandchildren.

In 1913, Lou's parents, Michael and Maria LaRiche, immigrated to America from Matrice, Italy (Abruzzo region) where they settled in Cleveland, Ohio to raise their family. Lou, their fourth son was born on December 12, 1931.

Lou attended John Carroll University, where he left with a diploma and more importantly the love of his life and wife of 60 years, Gail. Together they journeyed to Fort Riley, Kansas, where Lou served two years in the US Army before pursuing his youthful passion, the car business!

After working with his father and brothers at the family car dealerships in Cleveland, Lou was inspired to open his first dealership in 1964; a Volkswagen

franchise in Findlay, Ohio. In 1971, he realized his longtime dream to become a Chevrolet dealer when he opened Lou LaRiche Chevrolet in Plymouth, Michigan. He is well known in the region for coining the phrase "Switch to LaRiche". Throughout the years, he also acquired a Toyota-Subaru dealership and a Chevrolet-Cadillac dealership, both in Findlay, Ohio.

Lou was extremely thankful for his many blessings in life. He had a strong and unwavering faith that was nurtured by attending mass at Our Lady of Good Counsel, where he was a member for over 50 years.

Community was important to Lou! He was a Plymouth Rotarian, where he volunteered year after year at the Fall Festival chicken barbeque—even though he absolutely despised chicken! He was also member of Legatus International of Ann Arbor and the Detroit Auto Dealers Association (serving as president of the Detroit Auto Show in 1985). He valued many friendships developed at the Italian American Club of Livonia and Meadowbrook Country Club.

Lou celebrated his Italian heritage reveling in family meals prepared lovingly by Gail. Together, he and Gail, enjoyed a very active social life with their many friends. They loved to travel and play golf together, spending many winters in Siesta Key with family and friends.

In 'Lou' of flowers, please make memorial donations to:

CAMARO SUPERFEST 2022 is scheduled for August 12th thru August 14th. This year's location is at EMCC's sponsor, Lou LaRiche Chevrolet in Plymouth, MI. Here's your report from Chairman Chris West -

By the time you read this update our Superfest show will only be about a month away. To date there are 125 cars registered. We have cars coming Ohio, Indiana, Illinois, Kentucky, West Virginia, Minnesota, Florida, Ontario and of course Michigan. Gas prices are still high but it's not keeping the dedicated Camaro fanatics away. To make sure our extended Camaro family has a great time we need lots of help and the EMCC family is stepping up. Sign up to help has been strong but there are still a few openings so if you haven't yet volunteered or have time to help a little more please do. See the information in the volunteer status below to see positions needed. In addition to the volunteers that have signed up to help during the event there are a number of people working to tie up final plans so we have the best Superfest possible. Don Jorgensen has plans for Friday's Lapeer Dragway event finalized, the Show's judging details on track and is working with DriveOne, this year's charity, to have them on site during the whole event. Jen Sievert is working with the award company to ensure we provide our participants with great looking recognition for their awesome Camaros. Jen has also provided some great marketing ideas to encourage registration. Barry Hensel has been sending out

Facebook blasts and working contacts to continue to get the Superfest word out. Sally has also been sending out Facebook updates and working with food vendors. As always, Mark has been keeping the Camaro Superfest website updated and tracking registration. And our President, Paul "Snook" Denski, has been keeping up the logistics of the Show at the dealership - sound system, vendors, coordination with Lou LaRiche and more. In summary the membership is doing a lot of work to ensure EMCC's 2022 Superfest is a show to be proud of, no matter the size. Camaro Superfest is not only a family friendly fun event, its an event for our EMCC family to have fun working together for a good cause. Thanks to all. If you have any questions contact me, Chris West, at chriswest697197@aol.com
