FIND NEW ROADS™

JUNE 2018

FROM THE PRES-

I'm writing this on Memorial Day, after getting up at butt crack dawn thirty to put my US Flag to half-staff. Requested by the President of the United States and the Governors of each state. That's right requested, not mandatory! And I made sure I was home to return it to full staff at noon. I oblige because I owe a lot of people more than I can possibly repay them. It's the least I can do for those who gave their all for us and our freedoms and to those who currently serve to protect those Freedoms. Freedoms to drive whatever car we want, when we want and where we want. This year it's special because we now have a chance to repay, at least to some degree, those who sacrificed their health so that we can do these things and more.

OK, Peeps, its crunch time! Last words from your President meant to invigorate and promote your eagerness to participate in Camaro Superfest 2018. That's right, you won't have to read another word about it from me. Seriously, this is the time we need to pull out all the stops to help the Superfest team make sure our show remains the bestest ever. Barry has done all he can to prepare us for what is to come. I have prayed over and over again for great weather. Up to all of us to sign

up and help make easy work for all when the time comes. Please do what you can and then some if possible. I know all can't be there, but, please try to give some time. You've heard the cliché, Many hands make easy work! That's all it takes. None of the "jobs" are hard, some might border on boring, but none are difficult. Show the planning team and especially Barry how much they are appreciated. We can do this. And, if you don't want to do it for the club please let's do it for the women and men that need the services of our charity, Stiggy's Dogs!

Now, for the last meeting prior to Superfest, I've made a variation from tradition, mostly to accommodate the work we have to do that evening. We are meeting at Rose's Restaurant, Monday, June 18th in Canton, 201 N. Canton Center Road, 48187. We will meet on the patio (don't worry it's enclosed) and after the meeting stuff a few envelopes and other things. The usual 6pm eating time with the meeting to follow at 7:30. Maybe even a little earlier to save on time. Anyway, come and enjoy some good friendship and food with us. Short and sweet, come help and enjoy! Let's DO THIS! Now on to clean and wax the car for Superfest, livin' the dream! Thanks to our Soldiers and Veterans that made it possible.

Regards, Snook OUT

EMCC MEETING REPORT

Again, despite some questionable weather, we had another good turnout for the May EMCC meeting at the 5th Tavern. A very nice place, reasonable food prices and we had a room to ourselves. I think we'll be back here in the future! We had a few members making their first meeting - welcome Eric and Leva Pless and new member James Beesley! Again, a good turnout with about 30 members attending! Paul and John gave reports. Barry did the CSF updates and events schedule. An email will be sent to start a new club shirt order - watch for it! Hope to see you at the NEXT EMCC meeting!!
MONDAY, JUNE 18th!

27th annual CAMARO SUPERFEST 2018

June 29-30, July 1, 2018
Riverside Park, Ypsilanti, MI, USA

CAMARO SUPERFEST 2018 is ALMOST here!! We are just at 30 days out!

Our 2018 charity - STIGGY'S DOGS! www.stiggysdogs.org

They use rescue dogs to help Veterans with any type of disability!! **Rescuing one to rescue another!!** COOL!! Our 2018 goal will be to raise \$15,000! Our theme - helping celebrate the Hot Wheels 50th anniversary by having Hot Wheel Camaros as our theme.

MANY THANKS to our GREAT sponsors-
PREMIER Sponsor- Lou LaRiche Chevrolet

GOLD Sponsors- Lingenfelter Performance Engineering, Livernois Motorsports, CamaroZ28.com

SILVER Sponsors- CamaroNews.com, National Parts Depot, Motor City Hi-Performance, Vanguard Motor Sales, SLP

BRONZE Sponsors- Cruis'News Magazine, Ecklers All-Gen Camaro Parts, NoviStretch, Ace Sanitation, Chris Stangler's Customs, Hagerty Insurance, Visit Ypsi Now

Great Support from - Saturn Printing, Kidd Company, GM Heritage Center, COPO Build Center, Chevrolet Division - GM, Mattel Co., Marriott at Eagle Crest

AUCTIONS - every year we do several silent auctions for our charity. Tom is the chairperson of these and is looking for your donations of NEW and UNUSED items for the auction. These can be anything, they do not have to be auto related. Bring items to a meeting to give to Tom.

NEW!! We will do a live auction when we are at the Lingenfelter Collection on Saturday night. This will be done with CAMARO MONEY!!

The EMCC work list is nearly full - GREAT - THANKS! We'll publish that in a separate email, so those last few jobs can be claimed.

Remember... if you have a

business, or can get donations from where you work, we'll be happy to put "stuff" into the goodie bag. It's a great way to advertise the business!! We'd like 600 of each item, but will certainly take less! Let BARRY know if you will be donating something, so the business can get credit in the event program.

Here is the near final version of our awards and t-shirts!! COOL!

Just think- CSF-2018 is only ONE month away!!

CSF JOBS

Here is the annual list of CSF jobs and what each entails. NONE of these jobs is hard!! A few minutes of "on the job" training and you will be a pro!! Please help out where and when you can... many hands make little work!! Let's look at the jobs and their duties- what each entails-

GOODIE BAG STUFFING- this is done at the HQ hotel on Thursday afternoon-evening. **AGAIN THIS YEAR - we're starting early!!** We start at Barry's at 1pm to load-up all the donations, then head to the Marriott. There we set everything out on tables and stuff the bags assembly line fashion. We'll be doing 600 bags, which should take about 4-5 hours. If you are not

available at 1pm, meet at the hotel at 2pm, or ASAP!!

REGISTRATION, is where car owners come to enter their cars. This is at HQ hotel on Thursday-Friday, moves to park Saturday/Sunday. Paperwork job, handing out goodie bags and answering questions. We will also need 2-3 people to go to COPO Build Center and the Heritage Ctr ahead of everyone else, to set-up a registration check-in. We will NOT do on the spot registrations, but can check people in.

SPECTATOR GATE (at lower park entrance), is where people come in to view our event. We need to keep track of numbers and spectators are FREE, but we are requesting donations for our charity - whatever they wish to give! This is also where car owners will pay their entry fee.

SPECTATOR GATE (at park south entrance), is where people come in to view our event. We need to keep track of numbers and spectators are FREE, but we are requesting donations for our charity - whatever they wish to give!

TRAFFIC-GATE (at street level), The park has limited parking outside of the official entry gate, so traffic direction is necessary. Also directing participants, vendors, etc. You also give out blank forms to those that have not pre-registered.

VENDOR SET-UP, This is on Friday afternoon at Riverside Park, to assist various vendors in getting the right spots they need. Also make sure the port-a-potties are in place and judging tents. This would be a club member (or 2) NOT going to the tours.

PARKING-TRUCKS-TRAILERS, This is toward the back/south end of the park, trying to keep trucks-trailers from getting into soft grass and directing them to good spots.

EVENT HQ, this is big on answering questions, selling event t-shirts and helping with Silent Auctions.

SILENT AUCTIONS, Tom is heading these up, but needs help putting items out and collecting money

when finished. WE NEED DONATIONS!

SECURITY, everyone is on security detail at all times! There is NO alcohol and NO PETS allowed on the Park property. This is the biggest items to watch for. Basically, security is making sure that someone is not doing something stupid and causing problems for others.

JUDGING SHEETS, this is adding-up the judging sheets from the judges, recording the results on the proper class page and filing the sheets in a folder.

MISCELANIOUS, This is kinda another "everyone" job... where we need to keep an eye on trash cans, make sure the speakers are working, etc....

I think that covers everything we can think of concerning jobs. See, nothing so awful hard about any of it. PLEASE volunteer!! Without YOU, the EMCC membership, this event is not possible. We can plan all year long, but when it comes right down to it, it is YOU the membership that makes the event happen. THANKS!!!

WE NEED YOU!!! WE WANT YOU!!!
This is our biggest event of the year & we have a great reputation of having the BEST organized event in the USA! We need to continue to work on keeping that reputation and improving on it where ever and whenever possible. PLEASE help us make CSF 2018 another great event and our best yet!

MORE IMPORTANT INFO- As an EMCC member, if you have not registered for the show yet, please do so ASAP. Bring your application to a meeting, mail it in or online!

JUDGING- EMCC members are encouraged to NOT have their Camaro judged during our event. This is a request, not a rule, so you can be judged if you want to. Reason for not doing judging is several- giving others the chance to win, time and even though we hire out the judges, it looks "bad" when we win at our own event. You can still get an award - simply purchase one for \$15. This offer is only good to EMCC members. If you want to purchase an award, let Barry know ASAP!

EMCC SWAP AND SELL

Swap and Sell items are FREE to EMCC members and friends. Email items to Barry.

FOR SALE - 2013 caprice 6.0 liter, Cam and lifers problem done at dealer at 90k miles. Completely stock. Alto grey is the color. Clean inside and out. No issues. \$9k Make offer. Plenty more pics if you want to see them email me back. EMCC Cory Chisolm

FROM THE Vice-Pres.....

My only topic at this month's meeting was, you guessed it, the Tour de Michigan. Please consider joining us for this one. Based on a conversation that I had with one of our members, we MIGHT consider moving this tour out to the first or second week of October. The thought is that we might, could, should get more Fall color. We tried this once before and got a bunch of rain. However, I'd like to give it a go one more time...we just need to pick the days that it won't rain, the days are cool and sunny, and all the trees are in their full glory of color.. easy-peasy! The Tour Team will be meeting soon to kick off this year's cruise plans through Michigan, our most beautiful and blessed state!!

PUN OF THE MONTH: The roundest knight at the Round Table was Sir Cumference. He had too much pi!

THE LAST WORD: A man checked into a rundown motel. "The room is \$18 a night," the manager said. "It's \$8 if you make your own bed." "I can do that," the man said. "Great. I'll get you some nails and wood."

Hope to SSSEEYA soon!

John, SSSEEYA
