JUNE 2021

FROM THE PRES-

By the time you read this hopefully our talented Treasurer Mark will have CSF "Virtual" up and running as far as registrations go. Yea I know is not what we wanted but we all need to take a step back and realize what we are doing is exactly the right thing. I know that many of the "Covid" restrictions are coming down at a rate few thought would happen, myself included, but the BOD of this club did its job and kept the best interest of its members and guests first and foremost. To be sure that everyone was protected, not only medically but financially as well. Putting the club at risk for failure was not an option. No matter what happens now we know absolutely no one will be put at risk either way. Even as I write I am assured that our venue will not be hosting events this year (a statement that I for one do not believe). Leaving our fate to a government agency just did not and still does not make any sense to me. There, I said my peace and promise not to bring it up again.

On to bigger and better things. Our VP Don and his vociferous sidekick Tony have put together a schedule of shows both near and far for us to participate in at everyone's own pace. You can go as often or a little as you seem fit.

You can go to be with people or keep your distance. And now you go with or without a mask as your comfort level dictates. I encourage each and every one to do exactly as they please, however, keep in mind that both individuals have spent hours of their time to make these shows and events accessible to every club member. Take the time to communicate your intentions to them so they can continue to make things happen for us. Nothing says thank you more than acknowledging that you are grateful that they do what they do. One of "those" things that I wish everyone to do is participate in CSF 2021. It only takes a minute or two to email a picture of your Camaro to Mark for inclusion in CSF 2021. The more we participate the more the public will. And the more people and "hits" we get the easier it will be for those of us seeking sponsors and supporters so we can again give generously to our charity. I am pounding the pavement as hard as I ever have with hopes of breaking last year's awesomeness. Another thing I have been reminded of this last Memorial Day, we can never do enough for those who have made that ultimate sacrifice for our freedom. And if it means we work harder to help, then so be it.

continued next page → →

A special thank you to Waneita and Mark Boven for sponsoring the artwork for CSF 2021. I have seen it and it is simply terrific. Without wonderful members like them we would not be able to be so giving to our charities each year. Please keep them in mind and if you get a chance, thank them in person (because we can now). As we build our list of sponsors and supporters you can always use them in their businesses whenever possible.

See you in person at the next show or at least next month's meeting.

THE CORNER CAMARO

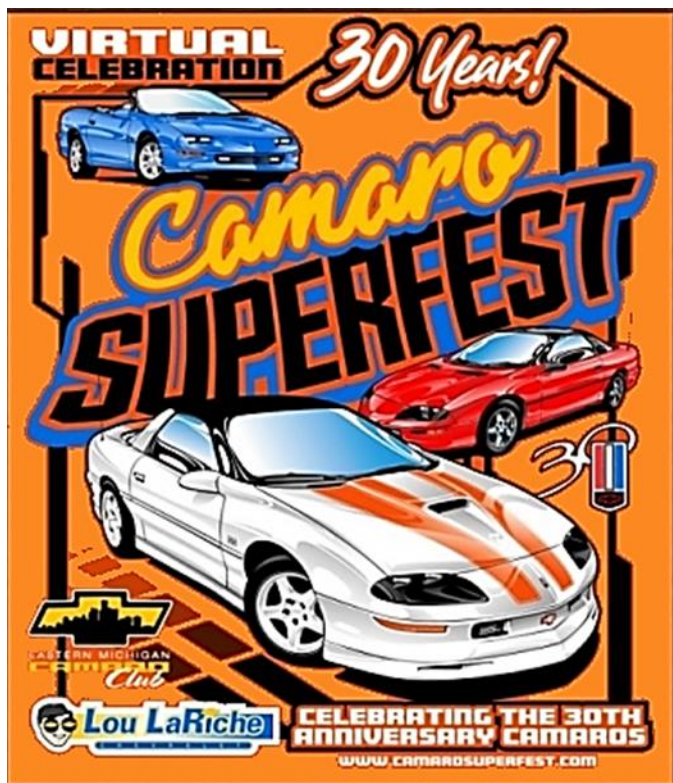

This month's Corner Camaro is EMCC member and VP Don Jorgensen's new 1970 Z/28! Yes, this is Don's latest addition to his growing collection (makes 5 now!). Don purchased this Camaro on January 15th from Dallas/Fort Worth, TX. It's a resto-mod with ground-up build LS3 V8 Crate Motor, 4L60E 4 speed auto transmission, 9 inch rear end, Vintage Air Condition, Wilwood 4 wheel disc brakes and upgraded independent front and 4 bar rear suspension. It has been painted LeMans Blue with Iceberg Silver Rally Stripes and Torch Red outlining stripes! The Z/28 sports 19" front and 20" rear Budnik Vapor wheels. This was all built by MirandaBuild Hot Rods of Florida in 2015. Great looking Camaro Don and a great addition to your fleet! We'll get this into Autorama next year for sure! Thanks for being an EMCC member!!

With our in-person event cancelled, our 2nd VIRTUAL CSF is now underway! Registration opened on June 1st -

GO TO www.camarosuperfest.com

It's the same as last year, send in a photo of your Camaro for a non-judged entry. Send in a 45 second video for a judged entry to try for an award! We'll give out about 56 awards! And like last year... **IT'S FREE!!** The show is all online at the CSF website and will last through July 4th to enter your Camaro. The pictures will be onsite through the summer. We have the artwork done for the awards, dash plaques, awards and Commemorative plaques that can be purchased.

We urge all EMCC members to enter your Camaro!! You can enter a video if you want, but you will NOT be judged. It would not be fair to judge our own cars!

EMCC HOLIDAY PARTY

With restrictions and conditions as they were in December, we cancelled our annual EMCC Holiday Party. However, now that things are near normal, we're doing a CHRISTMAS IN JULY event!! This will be held at the Denski Barn in Plymouth on Sunday, July 18 at 3pm. It will be everything we normally do... dinner, great conversations, gift exchange and fellowship with EMCC members. Plus, there will be NO CHARGE for dinner!! There will be a limit of 40 people allowed and it will be BYOB. See the flyer later in this newsletter for more info!!

EMCC JUNE EVENTS

While there are many events listed on the calendar, there are always a few that are considered "club" events, where we hope more members will try to attend those select events. In June, we have these -

LIVONIA BARN SHOW - June 13

Nick is coordinating this event and you must check in with him if you wish to attend. This is a nice one day show, good day to relax with your fellow EMCC members. Bring a lunch, snacks and drinks, no BBQ's allowed. Watch emails for meeting time and place.

WAYNE RD CRUISE - JUNE 19

The Wayne Rd Cruise in Westland is another local try at having a good event for car owners. However, Wayne Rd itself is not in the best of shape, so actual cruising could be limited. Plus, Wayne Rd is not that long... about 5 miles only from Michigan Ave to Ford Rd. Many gather at the Town & Country Bowling alley parking lot, which can get filled quickly.

FORT ST CRUISE - June 26

This annual event is like a smaller Woodward Cruise. Lots of nice cars and the roads are new and good! At this time, we're not sure if we'll have a "spot" for club members to gather and park. We have been at the Kroger parking lot, which gets filled very early and is very crowded.

HERE'S ONE MORE GREAT STORY on the Tour Missouri! A local paper did a story on one of the "pit stops"...

On way to Branson, Camaro Club makes a pit stop in Gainesville

By Marilyn Tilley
Special to the Times

It was quite an impressive sight Friday, April 23, when nine flashy cars pulled in at Bullseye in Gainesville for a bathroom stop. Seven of the cars were Camaros, and two were Corvettes. All in perfect shape.

The Eastern Michigan Camaro Club was on one of many tours members take each year. This tour started in Jackson, Missouri, near Cape Girardeau, with some members meeting up in Detroit and traveling on to Jackson together.

Tour director Randy Martin, a former Detroit resident who moved to Jackson, schedules all of the tours, making sure the group never goes to the same place twice.

This time the group was headed to Branson, where club members would spend a couple of days before traveling backroads - no freeways - to Carthage to see the Precious Moments Chapel.

One member of the club said the cars are "like Lays potato chips. You can't have just one. Every club member has at least four or five of them."

Several of the members' wives have cars of their own that they drive on the tours.

Club member Larry Schramm, who also owns a Model T and five Buicks that are over 100 years old, said he prefers older vehicles. He wanted to make it clear that a bright green Camaro RS in the group belongs to his wife, Joyce.

"Joyce told me over 40 years ago when we were getting married that she wanted a Chevelle SS," Schramm said. "When she saw this green Camaro RS, she said, 'I love that green car.' She said that twice. She could have said it once, and it would have been fine, but not twice. So I bought her the car!"

Joyce Schramm calls it her "guilt car," explaining that her husband had so many cars, he was feeling guilty. So he bought her one that's all hers. She has even put a sticker on the back of it signifying that it is her car.

The club has been together and doing these tours for six years. Martin said they change their tours every year.

Currently, Paul Denski is president, Don "D.J." Jorgensen is activities director (everyone agreeing he is head honcho, he said), Mark Harpootian is treasurer and Larry Schramm is tour director. All four officers participated in the April tour, which included 19 people total.

All the cars had specialized license plates that were personalized by the car owners.

Club members said the wives get to pick which car they take each tour in, and they enjoy the cars as much as their husbands.

For more information, visit the club's website, EMCamaro.org.

The club's pit stop in Gainesville was the second club that made an April appearance in Gainesville. On April 15, the Arkansas Tin Lizzy Club also stopped at Bullseye in Gainesville, attracting the attention of several people here who stopped by to visit.

Above: Members of the Eastern Michigan Camaro Club made a pit stop at Bullseye in Gainesville April 23 during one of their club tours. Nineteen people in nine vehicles - seven Camaros and two Corvettes - participated in the tour, which was headed to Branson. **Left:** Joyce Schramm put stickers on the back of her Camaro RS so everyone would know it's hers. The first time she saw the bright green Camaro, she instantly fell in love with it. Her husband, who owns several collectible vehicles of his own, bought it for her out of guilt, she said.
