JUNE 2022

FROM THE PRES-

Here we are, Memorial Day, honoring those of which a few we know but owe our thanks to all. Let us not ever forget, that sacrifice made for us by so many fellow Americans who gave their all. Hopefully we will enjoy the fruits of their sacrifice for many generations to come. Take a moment to remember.

The old saying "time flies when you are having fun", sure applies here. I just finished May's column and here I am stuck in front of my less than fabulous computer making you all read through yet another 500+ words of Presidential Wisdom. Sure, you can laugh at my trials and tribulations of a wanna be author. Make light of the fact each and every month you get to at least see (there are some who do not take the time to read, hard to believe I know) what is on my mind this month. Well, my evil plan is to stop writing these, so the months do not fly by. Think it will work, probably not. But, there are a few of you that would like to see it succeed now, wouldn't you? Be honest. Car person to car person. Just a few times you wish this weather could stay around for a year or two. And those of you reading this in a year round car climate can (well you know). So we must make the most of what we are delt. Get out

and use that Camaro. Take in a show, either with or without your Camaro. There are an abundance of them each and every week. Tinker with it some, maybe clean an unkept place you haven't done in some time, or reclean what doesn't need to be. Works for me.

Just spent the last few months getting ready for our clubs adventure to the Tail of the Dragon. The old girl is as ready as she'll ever be. Oh, and Kathy is ready as well. Not sure this is something everyone may attempt, but we are giving it a good old college try. Multiple hours on the engine test stand and 700 plus miles of testing. Trip to Flint for the Dust'em off Show with club members proved to be fun. Had a chance to meet several new members and talk to those we do not get to see as often as we would like. And just like that we are off to see just how much fun we can have in a 55-year-old Camaro. Wish you could all go because one thing I know is this club and its members know how to have fun. From the UP to southern Missouri, the things that make this club great just keep on coming. We will talk much and laugh hard I am sure. We might even take in some great scenery here and there. Will we return successful "Dragon Slayers"? My money is on us. Stay tuned as we might even update the club as we travel.

continued next page → →

Something we should do more often, if for nothing else is the sheer entertainment of those laughing at our crazy idea of fun.

Look for all your club news in this edition of the Hugger. Updates on CSF and the many other shows and events we are planning on attending. One more time, please take some time to remember all those who made this possible.

THE CORNER CAMARO

This month's Corner Camaro is EMCC members Sandy & Steve Rinke and their 1969 RS/SS Indy Pace Car! Here is their story - Family owned since 1970, our goal is to preserve it in its original state, with restoration and minor repairs. The Camaro has a 350 engine and automatic trans. The exterior is the original Dover White and Hugger Orange stripes. The interior is Pace Car Orange and Black Hounds-tooth. The Pace Car was a 2021 Top 25 winner at the Frankenmuth Auto Fest. GREAT Camaro Sandy and Steve! Thanks for being an EMCC member!!

EMCC MEETING REPORT

Our May meeting was VERY well attended, with about 39 attending for the meeting and a bite to eat. The weather was great and many drove their Camaros to the meeting! We also had several new members attending, nice!! At the meeting we had a Camaro Superfest update from Chris. Don went over up-coming activities. Paul also gave some CSF comments and general things for us to be mindful of. It was really great seeing everyone at the meeting and enjoying each other's company and conversations! We hope to see you at the next EMCC meeting!

CAMARO SUPERFEST 2022 is scheduled for August 12th thru August 14th. This year's location is at EMCC's sponsor, Lou LaRiche Chevrolet in Plymouth, MI. Here's your report from Chairman Chris West -

June is here and Camaro cruising is already in full swing. Reminder that our 31st annual Camaro Superfest is only a few weeks away. It'll be great to be back to a live show and gather with our extended Camaro family again. If you haven't yet registered then please do. EMCC Camaros will be parked together, as a club, in front of the Lou LaRiche showroom in the center of all the action. The help of the EMCC membership has always been vital to the success of Superfest and this year is no exception. A volunteer sign-up will be going out soon. When you get the sign-up information take a minute to volunteer for a spot.

Another way to help is to donate to the Friday night Meet & Greet Trivia night. Camaro and Chevy themed items or gift baskets are needed for the auction. Below are a couple of items recently donated for the auction:

If you're not signed up for the auction I recommend you do. Not only will you have the opportunity to win some very nice items you will also have a great evening of fun playing Camaro trivia with your EMCC family and Camaro friends.

Another way to help is to be a judge for one of the Camaro generation or Z-car classes. Being a judge is a great way to see, up close, other Camaros and meet some like-minded enthusiasts. You don't have to be a Camaro guru to be a judge, just someone with an appreciation for a nice ride. If you are interested in judging contact Don Jorgensen.

Most importantly we want our whole EMCC family to be part of the return to a live Camaro Superfest and a fun filled weekend. **SO REGISTER NOW!**

If you have any questions contact me, Chris West, at chriswest697197@aol.com

NOTE! - The CSF committee is looking for donations of gifts and gift baskets for the Friday night Meet and Greet Trivia Night Raffle or Auction. If you would like to donate items or make up a themed gift basket (car care-movie night-summer fun-cars and coffee/etc.) it would be very much appreciated. We ask that there be no hard liquor in the baskets due to Michigan liquor regulations. The gifts and baskets can be dropped off at the June meeting at the Wests or at the Christmas in July party at the Denski's. We can make other arrangements for pickup as well if needed. Just email sallyawest@aol.com

Camaro Superfest is BACK!!! We hope you will get registered and be of this great summer Camaro tradition with us!!!

CAMARO FUNNIES!

PUN(s) OF THE MONTH: 1) What did the mermaid wear to math class? An algae-bra. 2) I wanted to learn to drive a stick shift. Thing is, I couldn't find a manual.

THE LAST WORD: A patient walked into his doctor's office with a cucumber in his left ear, a carrot in his right ear and a banana up his nose. "What's wrong with me?" he asked. "Simple," the doctor said, "You're not eating properly."

EMCC BIRTHDAYS!
