FIND NEW ROADS™

MAY 2022

## FROM THE PRES-

Well, it is May. Thirty days from half the year done. And no, Kathy's 67 is not on the road. New Years Resolution broken. Not good. On the brighter side the engine has five hours on it, does not leak and sounds fantastic. Placed it in the car today and hopefully a road test this coming week. Tail of the Dragon and the dragon slayers of EMCC leave in one month. I certainly hope that Kathy and I are firmly buckled in that car then. We will see. Blessed to have backup, no pressure.

May got me thinking (easy on the comments), Mother's Day is just around the proverbial corner. What to get the mother of my children for that once-a-year holiday she so much looks forward too. Something red, probably not. Although I can thank our club sponsor for stopping by in his 2022 red Corvette the other day.

Totally took me by surprise when I pulled into the driveway and saw my Wonderful Wife standing next to

it. I really am impressed with how the new ones drive and look and if Kathy falls for it, well, how does the Eastern Michigan Corvette Club sound? So far, no worries though. I will keep you posted. We all should take at least a moment to thank all the mothers and other ladies that have blessed this club with their presence over the last few years. Makes presiding over the meetings so much more pleasant than before they started to attend. Keeps at me on my toes when Kathy starts waving that napkin. Probably better for everyone else too as she keeps me in line and from getting excessively windy. Happy Mother's Day to all EMCC Moms.

Further in this issue please note the update on CSF and all the work Chris and his gang of helpers are doing. Stuff just keeps getting done and registrations are under way. Be sure to get registered early as we are anticipating a large response. Even though we have more room than originally thought, we are limited for spaces. Friday night sounds like a blast, and that special guest speaker should make for some interesting Camaro conversations.

Now that the supply chain shortage of spring weather is finally over Don has a whole bunch of car stuff going on. Please let Don know if you are joining us for any of the activities he has in place. *continued next page* →

Check his list out in this issue. I know my calendar is nearly full every weekend and even weekdays are filling fast. Keep in mind that the more we represent our club around this area the more we get known for our great people and all we do for our community. This is so much more than a Camaro club, however, do not forget to use the Camaros that brought us together. Get out and have some fun. Speaking of which, stay very close to your Hugger as the Tour'd \*hi\* is quickly taking shape. You ain't never seen a tour like this. Back to the driving big time. And big news, the most favorite fall ritual of them all, The Chicken Run returns on Sunday September 18th, 2022. A tad earlier this year to hopefully take advantage of some nice weather. Maybe a boat drink and ride this time.

## THE CORNER CAMARO

This months' Corner Camaro is EMCC member Kirk Gillies 1984 Berlinetta coupe. Kirk has owned the Camaro for 16 years and is the 2nd Owner. That previous owner, when they had to sell, they called Kirk! The Camaro has a modified 350 with a 700R4 auto trans. It's a Berlinetta, the luxury version of the Camaro that replaced the Type LT. In the 3rd Gen this model lasted 3 years. Kirk's Camaro is the beige exterior color with the camel color interior, which is still the original interior but he had to remove the pod radio. Love the black hood too! GREAT Camaro Kirk!

Thanks for being an EMCC member!!

**PUN OF THE MONTH:** You walk into the bathroom and you're American, you walk out of the bathroom and you're American. What are you inside the bathroom? European.

**THE LAST WORD:** A teenager lost a contact lens while playing basketball in his driveway. After a brief search, he gave up. Within minutes, his mother found it. "How did you do that?", he asked.
