MAY 2024

FROM THE PRES-

I got to tell you, this month really kind of snuck up on me. Normally I get hit in the middle of the night with words of wisdom that I need to pass on to you so hard it wakes me up. No so much this time. Back on the old struggle bus. Gone are the cold winter nights that kept me constantly looking for warmth. My brain box swirling with what I want to impart upon the membership. Again, nope not this time, woke up to an email received from Barry asking for my "musings"! Then I went outside to take the puppy out and poof, it's spring. Complete with blooming flowers and a whole list of things I did not get done.

So, let's start with Camaro Superfest. Another member of Multi Lakes has resigned and the new person wants an update. Done. We are still all set with our venue, no changes there. Jen has prepared and by this time sent out a mass emailing to all past Superfest participants and we are patiently waiting for a boost in registrations. There is a special going on, so read that email to get in on it. Registrations are somewhat behind but I am sure the change in the weather and Jen's well delivered email will boost that effectively. Don is preparing for the judging portion and if you

have questions or want to help, please get in touch with him. Patrick has almost completed the matched set of R/C Camaros that will be the feature of some sort of prize package. I must say, in my opinion, they will be very sought after. Our list of sponsors continues to grow. I am happy to report that Vanguard Motors has upped their donation to the next level of \$2K with the balance going to the fund. The board is meeting this week to further explore our sponsorship goals. If you have any suggestions for that please let any of the board members know. Keep a close eye out for the signup sheet to volunteer at your favorite spot at Superfest. Without you, the membership, we don't have a show. And as they say, "it takes a village", so please sign up as soon as you can so we can plan on having enough help throughout the show. Superfest is closing in on us and we want to be as prepared as we possibly can.

As those of us that attended the last general club meeting know, our "new" website is up and running. It is not public knowledge yet and won't be until sometime after Camaro Superfest. The reason being, we (meaning me) do not want the confusion that goes with the changeover at this time.

Continued next page → →

Feel free to visit emcamaro.com and by all means use it as a reference as we will be updating it regularly. Meeting dates and time will be posted there, and you should look forward to additional pages until such time we get it the way we want it to be.

Suggestions and critics should be directed to me and are welcome as always. Many thanks to all that made it possible including Mark who has been the website guy for so many years.

And for those of you that read previous "musings", yes, Kathy's pickup is up and running and in the final test phase preparing for that annual flower road trip. Perfect? Nope, but it will get us where we need to go. This time we can load it all the way up and have plenty of power left. Might even bring a trailer! Things can get done with just a little constant effort. All of Kathy's "kids" are home now and we look forward to getting our Camaros out and enjoying the Camaro season at hand. Of course, with our Camaro family, you! **Snook OUT**

EMCC MEETING

Your next EMCC meeting will be on Monday, MAY 20th. The location is new - **Art & Jakes Bar & Grill 39715 Six Mile Rd Northville.**

This is on the south side of Six Mile, about a block west of Haggerty, which is about 1/3 mile west of I-275. Dinner starts at 6pm with the meeting starting at 7pm. We hope you can attend. It's good to "see" and talk with everyone! See you soon!

THE CORNER CAMARO

This month's Corner Camaro goes to Judy Sarns member 66 with her 1993 Camaro Z28 convertible. Here's her story.. I inherited this beautiful 1994 Z28 Teal Camaro convertible when my husband Russ (EMCC Treasurer) passed away on November 11, 2011. It's a beautiful car and I just couldn't bear to part with it. I have many wonderful memories of the two of us going for rides - long and short in this fun, flashy car. I've only driven it 5,364 miles in the past 12 years, but they've been very enjoyable miles. I've been to several Superfest events and even drove on MIS twice as the extra Superfest activity. I almost always drive or ride with one of my girlfriends, always with the top down and often down scenic Hines Drive. Sometimes, I've taken my grandchildren for a ride with the top down, as well. For several years, until she passed away last year, I would pick up a lady friend and take her to church. When she found out I owned a convertible, she asked if she could get a ride in that car. She was 97 years old when I first picked her up, put her red walker in the back seat and away we would go with our hair blowing in the wind! Every nice sunny Sunday in the summer that's the transportation we would use. We must have been quite a sight the road. This car has certainly helped keep me young. I'm the only octogenarian I know that owns such a flashy car. It's in great condition and now has 48,829 miles on it.

Thanks Judy for being an EMCC member & supporter!

NEXT MONTH - Joseph Rawls Jr., EMCC member 120 and his 2010 SS

MEMBERSHIP NEWS

We had two members this past month! Please welcome David & Rebecca Hassian and Carol Robinson. EMCC Membership currently stands at 84.

THANKS FOR BEING AN EMCC MEMBER!!

THE CORNER CAMARO 2

This month's Corner Camaro could be one of the only one's in EMCC history, to be passed down to a spouse and having both being EMCC members. As Judy mentioned, this was originally Russ's Camaro and here is HIS story (published in the HUGGER many years ago).....

Beginning with the early reports of the new 4th generation Camaro, I anticipated the introduction of the "rag top". A convertible is something I had always wanted, but never had except as rental cars. While at my brother-in-law Fred Mackinder's house on July 4th, 1993, he and I discovered we were both planning to buy a '94 Z28 convertible. The only thing left to do was choose the color, determine when orders would be accepted, place the order, wait and pray! We placed our orders on Sept. 20th, 1993 for a car that was scheduled to go into production in Jan. 1994! Being a GM employee, my car was ordered under the employee purchase plan and I was able to track the progress, or lack of, the order. About the middle of March, 1994, I learned that all employee orders for Camaro convertibles were cancelled. I was not happy! In talking with a Chevrolet rep, he searched his data-base and found a Z28 at Bill Fox Chevrolet in Rochester. I called the General manager immediately and later that day met with him. When I saw the car, I was breathless! It was exactly as I had ordered, from the color to the option list! What luck! However, the good news didn't last long as the price was \$1,000 OVER sticker! This dealership was only slated for 2 convertibles in 1994. This was one of them and I didn't let it get

away, I got a deal, too - only \$500 over sticker! Chevrolet slotted only 90 convertibles (plain & Z28) to Michigan for 1994. My Camaro was 741st of 1994 out of a total 7,910. My teal Z28 convertible is a great ride, smooth and quick! It was worth the sticker PLUS! The convertible with a headliner and glass rear window sure eliminates some of the negative features of prior year convertibles. This car is almost a daily driver in the sunny months and is so enjoyable to drive. Yes, there is truth to the saying, "women get hot flashes, men get hot cars"!! During the summer of 1994, Fred and I joined EMCC and have enjoyed participating in the club, Superfest, Auto 100 and many other car shows. As the Camaro brochure says, "it is the coolest Camaro ever!"

Russ is one of the many EMCC members that is on the annual MEMBER MEMORIAL AWARD at Camaro Superfest and that is usually always awarded to a convertible!

EMCC BIRTHDAYS!

Happy Birthday to all of our MAY EMCC Birthdays! See the calendar for those names and dates! Hope all your birthdays are great! If we have missed your birthday, we're sorry! Please email your birthday to Roxanne!

EMCC WEARABLES

Many members have asked about EMCC shirts, hats, jackets. We don't have a supplier of these items. SO, we suggest you buy what you want/need at any store you wish. Then bring those items to the MAY EMCC meeting. We'll then send it all to our embroiderer to get them customized with the EMCC logo on it. We can probably get your name stitched on too. The EMCC logo is \$12-15 to be put on. Your name is \$3-5 to be stitched. Logo goes on left chest, names on right. The prices will be firmed up at the MAY EMCC meeting. Please attend.

EMCC MEETING REPORT

Our April EMCC meeting was in a new place - Bdubs (Buffalo Wild Wings) in Ypsilanti. This was close to our old CSF HQ hotel. We had about 21 members attending and some drove their Camaros! The food and service was good.

Paul went over more CSF details - t-shirt color, activities, number of registered. He also put out a call for EMCC members to be our Judges, which will be easier with the drive-to judging returning. Don was back from many trips and had a list of coming activities. See the calendar page. Nick is the EMCC member to contact if you want to attend the annual Livonia Barn Show on June 9th. He must have your application and payment at the May EMCC meeting! Paul was also mentioning a possible trip to Wisconsin in the Fall as part of the Muscle Car Adventures packages. Planning for the fall Tour DeMichigan are also starting soon. To finish the meeting, Patrick gave an update on the TWO R/C cars he's working on. It was generally agreed that the cars should be raffled at CSF with proceeds to our charity efforts. Here's a look at the painted 6th gen R/C car! WOW!

Hope you're at the next EMCC meeting!

EMCC - LIV BARN SHOW

Many members have attended the annual Livonia Barn Show. This year, the 36th annual is on Sunday, June 9th. EMCC member NICK is the guy that has registration forms. He will be collecting these at the May EMCC meeting with payment. Clubs must register early, so that is what Nick is doing for EMCC members! Then, we'll all meet that morning and go in together, so that we can park together. Sorry, there is no way to save spots for late arrivals! Contact Nick at **734-673-7519** or GrandpaDominic@yahoo.com

EMCC CHARITY CORNER

EMCC is always looking for local charities that we can evaluate for possibly receiving grant monies from our funds via the Canton Community Foundation. If you know of a local 501(c)3 charity that could use some financial assistance then contact **Sally West** at sallyawest@aol.com and she will send you the link where the charity can apply for a grant.
