FIND NEW ROADS™

OCTOBER 2016

FROM THE PRES-

As I write this I have just completed my 61st trip around the sun and all is well, pretty much! Scientists finally found something that moves even faster than the speed of light...summer! I really thought I would have done more Camaro related stuff and could write several columns worth of exciting reading. Not so much, so, I'll let the few people that read this know what I do to put those wonderful cars we love to sleep for the winter.

Not that this is the definitive and only way or even a right way it's just 46 years of denying use of the vehicle in the winter months. Much of which could have been avoided had I had the fore thought to move my dumb keester somewhere warm! Now I know some of us will occasionally take our prized Camaros out on a nice day in the "winter". And heck, Kathy and I plan on driving her 2010 to Florida in late February so that one gets a reprieve. So, here it goes....

First thing I do is add a gasoline additive that prevents modern fuel from breaking down while sitting. This has to be one formulated for the specific fuel you use (ie. Unleaded, leaded, or even race fuel) Enough for the volume of fuel have. I try to put it into the tank before topping it

off and then driving for about five miles to make sure it gets everywhere in the fuel system all the way to the cylinders.

Second, which is probably the point of some controversy, I don't change the oil. I prefer to have all the nasty moisture and other things that form all winter accumulate in the old stuff, and then change oil in the spring before we take it out. Mind you I do start it and run it prior to that to mix all that stuff into the old oil.

Third, clean and detail every inch of the car and notice if there are things that might need attention either now or in the spring.

Forth, plug every possible entrance for critters that you can. Check tire pressures and if your baby sits somewhere moist coat things that rust with a preventative. Note you shouldn't do those bare brake parts as that will lead to a nasty ending of your brake pads.

Ok, this is what I do, not the end all or see all, just what I do. If you think something is missing or needs to be changed, PLEASE enlighten us all with a note or call. If you drive you baby all winter good for you, be clean and most of all safe. So, it's October and time for our annual Fall Cider Mill Run, Plans are as follows.... (next page)

Meet at the McDonalds on the Northeast corner of Wixom Rd. and Grand River in Wixom. I'll be there about 10:30 am and be having delightful conversation with all who'll listen. I plan on leaving at 11:15 am and arriving at our destination at 12:00 noon. I have made parking reservations across the street from the cider mill and even heard that there might just be another club arriving later than us. Short meeting at the mill AFTER a quick taste of the local fare and off to our homes afterward. Look forward to seeing you all then.

EMCC OCT MEETING

Our next regular meeting will on **MSUNDAY, OCTOBER 16, 2016**. The meeting will be at Parshallville Cider Mill! We are meeting at the McDonalds at Wixom Rd and Grand River. We are leaving at 11:15am to arrive at the cider mill at 12 noon. The EMCC meeting should be about 2pm. If you want to meet us AT the cider mill, please plan on arriving at noon or just a bit later, in order to get our saved parking. Directions are... north on US23 to the Clyde Rd exit, turn left over the freeway and take the service drive north (turn right), follow that about a mile and turn left at the sign, follow road to the mill!
ALL are welcome! See you there!

EMCC MEMBER CAR LIST

PLEASE register your Camaro on our web-based database ... log on to- www.harpoweb.com/camarostuff/camaros.asp If you have questions or problems with the database, email Mark. This isn't mandatory, just for fun! **Please email a picture!**

MEMBERSHIP NEWS

We have another new member for the past month, joining by mail.

Please welcome SHAWN KARCZEWSKI!

Membership is at 74 members plus spouses. Thanks for being an EMCC member!!

TOUR deMICHIGAN 2016

EMCC members that attended had another great time, crossing the state of Michigan on the back roads! Another great tour by Randy Martin and more good food by John Wrobel! All made the trip there and back safely! Here is the annual group shot by the bridge...

Plans are already afoot for a Tour deMichigan 2017!

PLYM FALL FESTIVAL

This event has become an EMCC yearly event and several EMCC members attended. Paul/Kathy drove home from the NEOCC show very early, to attend this as well! We did not hear if any members took home any awards, but I'm sure a great time was still had! Thanks for attending and making the EMCC display great!

NEOCC FALL CLASSIC

YOU... missed it!! A NEOCC Fall Classic with no rain during the show hours! Yes... we got stormed on at the Saturday dinner, but the show was dry, warm and very nice! With about 225 Camaros onsite, it was a great show and lots of fun to connect with Camaros owners we see at our own CSF. Paul/Kathy, Barry and Brad attended. Brad brought home a 3rd place for his 1969 Z/28! The traveling there and back was without incident and YOU should plan on attending next year!! Congrats to NEOCC for a great event... they raised \$10K for their charity!!

AUTORAMA 2017!

YES... it is not too early to start thinking of the annual Detroit Autorama. EMCC had a great display last year and we'd like to expand on that. Placing your Camaro in the show is voluntary. It does take time and some money, but if you have never done it, it's a blast! There "may" be something special in the works... will hopefully have more info at the Oct. EMCC meeting.

TOUR deMISSOURI 2017

EMCC members have the chance to do another tour in the spring of 2017! Randy is planning another Tour deMissouri for late April. Lodging will again be at the Durey Inn. More info soon!

FROM THE Vice-Pres...

Our Tour de Michigan was, as always, a success. We drove wonderful cars, traveled with some really great friends, and we ate well too! Our caravan consisted of seven Camaros and thirteen members

Randy once again planned out a super tour with the highlight being a Pictured Rocks cruise...what a wonderful place to visit. It's one of Michigan's finest attractions. And, how lucky were we; after driving in rain and clouds on the way to the cruise, the sun, blue sky, and white clouds all came out just in time for our 2 p.m. boat ride. With the western sun on the cliffs, we experienced an outstanding color display!!

I know it's a bit early but don't forget that the Tour de Missouri has now become a regular event. Randy will be planning another tour for 2017...it will take place on the last full weekend of April. The dates are: April 27th, through May 1st. We still have the same Friday through Sunday tour, but we need one day to get there and one to get back...so that's why it's Thursday through Monday. Please plan on attending as we will be able to visit the Clydesdale horse farm this time around.

PUN OF THE MONTH: Corduroy pillows are making headlines!

SSSEEYA at the next meeting.

John Wrobel, Vice President

EMCC SWAP AND SELL

Swap and Sell items are FREE to EMCC members and friends. Email items to Barry.

FOR SALE - Assorted parts, mostly new, for 1969/First Gen Camaro. Call or email for list. EMCC member John Ronayne

WANTED - I attended my 1st ever Camaro Superfest this year and had just a wonderful time. We drove our original Hugger orange 70 RS Z28. Except for a few items, I'm trying to make the car as original as possible. I'm looking for an original set of exhaust manifolds with the following casting numbers. I realize this may be a crap shoot locating these, but thought you might know who might have these.

Casting numbers: RH 3946826, replaced by 3986330 and LH 3942527, replaced by 3989041
