OCTOBER 2018

## FROM THE PRES-

We did it! Made it to Frankenmuth and back with 12 cars and 20 people. It can be done, masses of Camaro lovers and fun driving at the same time. Much can be said about the mayhem that started even before I pulled into the McDonalds from which we departed Sunday. I will leave most to be the start of urban legends, what you choose to believe is up to you. Needless to say, fun lasted all day and into the evening. Starting with the classic "grilled chicken" and ending with ice cream and photos. If you haven't taken a ride with the club you need to seriously consider it. Make no mistake, we know how to enjoy a drive.

Now for the serious stuff. At the last meeting, well attended I might add, there was much discussion about the amount the North East Ohio Camaro Club donated to their charity. \$26,000.00, for a one day rain shortened show. Very impressive to say the least. Discussion pursued about how we might attain such a lofty goal. Many ideas and suggestions followed as well as volunteering to make it happen. Some say we could do it, others might have had some reservations. One thing I do know is whatever this club puts its mind to, it will accomplish. Fact of the

matter is when I first became president, I thought that we could do more, meaning more cars, more people and much more money for charity. I still insist that we can. What I question is, do WE want to. Doing more also means more responsibilities for more people, people that make it happen. Think a moment about what we've accomplished in a few short years. At my first real Superfest I recall we gave \$500.00 to charity, don't even remember the charity. I was just a member, no interest in helping, only going to see a bunch of cool Camaros. And there where not nearly the quantity we draw today. Attendance at a meeting was, let's just say minimal, and realistically only 10 to 15 people were active. We've come a long way baby (to quote a famous commercial) and now we have more people at a meeting then ran the first Superfest I went to. All good things, and I hope this feeling is club wide, at least mostly so. So, do WE want to? Ask ourselves, do we want to work harder, longer or do we want to keep the pace and think things out to get better results. Imagine us taking the work out of all of this and concentrating on what matters. I think we can come up with several ways to make what we do easier and faster. Let's put our minds together and figure out exactly what and where we want to go. Next page → →

Let's not get caught up in the moment and promise to make tons of money for charity, even though I know we can. Let's keep thinking and talking and then when we can agree on a direction, we can go there. Just like our "Chicken Run" we CAN do it. I say we keep having fun in the process. As we improve our processes we improve our fund raising. It will come, I really believe in that. We will do just fine and, yes, we will give a whole bunch of money to those who need it, we'll just have fun along the way.

And speaking of fun, please read on for the FIRST article form our new "Activities Director" Don "DJ" Jorgensen. It should provide "oodles" (google that) of information for you to get out and enjoy our hobby.  
*Snook OUT! (and on the Tour d' Michigan)*

## CAMARO FUNNIES!

## FROM THE Vice-Pres.....

Once again it was great to have a large number of members join us for this month's meeting. Let's continue the fun!

The Tour de Michigan is coming up REALLY soon, like September 28th. All the tour leaders have run their planned routes multiple times and have a great weekend planned for all that are going. All we need now is great fall weather; however, even if it isn't what could be better than having 15 Camaros and 25 members exploring our great state of Michigan.

**PUN OF THE MONTH:** A boy swallowed some coins. The doctor checked him again and said, "No change yet."

**THE LAST WORD:** A doctor told a discharged patient, "You're completely cured. I must tell you, it was your incredible will to survive that saved you." "Thanks, Doc," the patient replied. "Remember that when you write up my bill."

SSSEEYA at the next meeting.

John, SSSEEYA

## EMCC AUTORAMA

Believe it or not... it is not too soon to be thinking of the annual Detroit Autorama. EMCC has had a nice display for the past 3 years, and we'd like to continue that! Autorama date has moved up, so there less time for planning and sending in car applications. The new dates are March 1-3, 2019.

## CAMARO FALL CLASSIC

The 25th annual Camaro Fall Classic, hosted by NEOCC was a wet event. It was, even with the sprinkles, a great event, lots of nice Camaros and great people and friends from all over!! Also with the wetness, attendance was down from their expected amounts, but they had about 200 registered. Then the big blow... weather predictions for Sunday were very bad. High winds and more rain, so a decision was made and Sunday was cancelled. This was a first in near 30 years of Camaro events, but the right call to make. The well being of participants and club members must come first. The Saturday dinner and auction was also great and well attended with about 300. After the auction, the awards were given out. EMCC won Club Participation!! Paul/Kathy, Don and Bob also received awards! For their charity, NEOCC raised \$26,000!! This was an all time high!! Congratulations to NEOCC for a great event, even with bad weather!! This is a near MUST attend event for EMCC for 2019!! We had a great showing with 8 Camaros/members... let's do more next year!!

## EMCC OTHER EVENTS

## EMCC HELP REQUEST

Do you remember JIM EDELBROCK Chevrolet in Plymouth?

In 1969 John Schmidt was ready to purchase a red 1969 Corvette, he had saved for a number of years, and drove some very pedestrian cars just so he could save enough to get a nice machine. He had a good family friend who worked at the Milford proving grounds who told him he should look into a 69 Camaro and the Z/28 model. John being a teacher (speech therapist I think) studied up on the car, mailed away for an

article on the 68 Z, as well as purchased a Car Life magazine about the 69Z. On August 7th of 69, after shopping around a bit, he went into his local dealer JIM EDELBROCK Chevrolet on 345 N. Main St in Plymouth Michigan and ordered the exact Z/28 he wanted. Garnet Red, black stripes, with the optional ZL-2 (cowl) hood. Well as luck would have it another dealer in Ohio was set to receive a 69Z with this configuration. A dealer trade was made and John was able to pick up his red 69Z on August 22nd.

John really was excited about getting the car, and from day 1 he judiciously kept track of the mileage and any and all receipts for the car.

Unfortunately John became ill and in 2007 they sold the car to cover some medical expenses. I was able to acquire the car shortly thereafter. Since acquiring the car I have tried to locate any JIM EDELBROCK Chevrolet items and have come up short. I was fortunate enough to meet Vic Edelbrock jr. (of Edelbrock performance fame) a couple of years ago, and when I asked if there was any connection he let me know there was no relation.

***So my question to my fellow Camaro enthusiasts: Has anyone ever seen any Jim Edelbrock Chevrolet memorabilia?***

I would love to find a picture of the dealership, or find a Jim Edelbrock license frame. After Jim Edelbrock sold the dealership, the car was serviced at Berger Chevrolet in Grand Rapids. So if I can't find a Jim Edelbrock license frame, an original metal Berger license frame would be a great back up. Look through your stash of license frames, and ask your muscle car buddies... someone may have something from back then.

Thanks for the help.
