FIND NEW ROADS™

SEPTEMBER 2018

FROM THE PRES-

Hello All! Well, as you read this our group has returned home after a great time in Grand Rapids at the Berger Chevrolet all GM show hosted by the WMCC. Wish I could have attended, it's on next years list of show to go to for sure. As we wind down the summer show season, please let's get together and do the club good by attending (as big of a group as we can) as many shows that we can. Coming up soon is the Fall Classic put on by our brothers and sisters in the NorthEast Ohio Camaro Club. They always support our CSF with massive amounts of club members and their cars each year. I do plan on going with two cars and hope others will plan on going as well. Please get with our Activities Director Don Jorgenson if you are going. I'm leaving on Friday and some are leaving Saturday and there are meeting places listed elsewhere in this issue. Make your plans and hope to see you there.

Now the good stuff, plans for next years CSF are still going strong. We do need more ideas on just how we can eliminate our work load on the days just before the show. Making our check in process short and sweet will make for a better experience for all our guests. For all those who do plan and register early I want to make

their check in a matter of seconds and those who might not be able to do so just a few minutes. We've thought about several ways we can make our day smooth and we still need more input before we can implement anything. Most importantly I would like to have the pre-registered guest's information done the day (or within a couple of days) and filed ready to hand out. This will demand some changes to our website and would like to have this done prior to the Christmas Party. It will cost a couple of bucks, but I think it is necessary to further push us into the tech age. If anyone has information on this, please step forward and let the board know. What we need to do is make this job something any of us can do so that Barry can just be the face of CSF. If we need a problem solved it won't upset the whole line and cause a backup. We can do this!

Lastly, the much anticipated "Chicken Run" is planed (almost), the date is September 23rd. It's a Sunday, which will make for a little less traffic and maybe a few more people in Frankenmuth. Back roads and lunch can be expected, other than that, it's top secret! If you think you want to attend please respond to me alone, and I'll make the list. RSVP deadline is September 10th, 2018. (you know make reservations and all)

Regards, Snook OUT

CAMARO FUNNIES!

We found these CAMARO/car FUNNIES on facebook over the past month-

FROM THE Vice-Pres.....

At our Monday meeting on the 13th, we had a great time in "Camaro Corner" at Gino's in Keego Harbor. Thank you very much Dale, Dave and Don for getting there early, setting it all up with Marco, and for taping off our "corner".

For this year's Tour de Michigan we now have 15 cars and 27 members joining us! WOW! That's a new record. Boy, and I thought 12 cars last year was huge! Nice going fellow Camaro lovers. The three tour guide teams this year, Mark & Sharon, John & Jo Ann, and Paul & Kathy, have pretty much nailed down our trip. Roads of travel are identified as well as places to eat and drink and fun things to do are all set. This will be fun.

And, speaking of touring Michigan, we now have the dates set for NEXT year's tour... they are: Friday September 27th through Sunday the 29th. The 2019 tour will have new leaders... Dale Baird and Don Jorgensen will each take a day and Paul & Kathy have agreed to take a day as well. Please offer your ideas now to the new team as to what and where you'd like to see.

So much left to do this year, lots of car shows and lots of good weather. Enjoy your 'rides' all you can this summer!

PUN OF THE MONTH: A Freudian slip is when you say one thing but mean your mother.

THE LAST WORD: A teacher said to her class, "Whoever answers my next question can go home". Just then, a lunch bag whizzed past her head and out the window. "Who threw that?" she demanded. "I did," one boy said. "Bye!"

SSSEEYA at the next meeting.

John, SSSEEYA
